LYNCHBURG, VA., April 39.—But for a rank decision in the third, when Shafter was called safe at second, and a muff of a fly by Bowen, Richmond would have been shut out in the second game of the series here this evening, which was won by the champions by 9 to 4.

ond game of the scries here this even-ing, which was won by the champions by 9 to 4.

The visitors were outplayed at all stages. Flowers pitched one of the best games seen here this season, while Derby was wild and was found often. Still, he was effective with men on the bases, excepting in the third and ninth, when the locals did all of their scor-ing.

when the locals did all of their scoring.

The Colts only reached third once, except in the third. In this inning it looked as though the game would go to the visitors, because Derby, up to that time did great work. Shaffer started the work by walking. Hinton sacrificed him a peg, and Flowers caught the manager napping at second, but Lally did not see the play. Derby struck-out and Titman nailed one to centre, scoring Shaffer from second. Reeve hit a high one and Bowen dropped it. Then, after the chance to retire the side, Heffron lifted a high one over left-field fence for an earned home-run. one over left-field fence for an earned nome-run.

After that the visitors looked for a run or more, but three fast double-plays killed these apparently good chances. In their half of the third the Shoemakers evened things up. Betscher flew out to Heffron. Fischman singled over O'Neill and Flowers hit another in the same place. McKenna hit a pop fly just out of the reach of O'Nei'l, filling the bases, Fischman was forced home when Bowen walked. Flowers scored on Hooker's long fly to Wallace, Haas hit to short, McKenna scoring. Kirkpatrick fumbled a hot one from Anthony, and Boweh crossed the plate. Then Derby, with the score tied, settled down, and Bently went out by a line fly to O'Neil and Betscher flew out to Heffron.

In the ninth, with one man out, Hooker started the slaughter of Derby. This was followed in quick succession by a single by Haas, four balls to Anthony, a single by Bently, a double by Betscher and a triple by Fischman, all of which netted five runs. Derby walked Flowers, but then he again settled and the next two batters were out on and the next two batters were out on

and the next two batters were out on short files.

The Colts played a fine up-hill game, and despite the score against them in the ninth, they were just as full of ginger as when the score stood 4 to 0 in their favor. The demeanor of the team on the trip has fixed them in the good graces of the fans, and hundreds of them want to see Shaffer corral the pennant. The score;

ACADEMY DOWNS ANCIENT RIVAL

Blue and Gold Treats McGuire's to a Defeat in Interpreparatory League.

BOTH TEAMS HIT

Twenty-eight Singles Registered Every Indication That Game During the Contest,

In a game replete with brillant playing and heavy batting, the McGuire's School lost to the Richmond Academy on the Union Theological Seminary diamond yesterday afternoon in the second contest of the championship series by 13 to 8.

Much interest was manifested in this game because had McGuire's won the victory would have given their school a good lead in the penant race, with a percentage of 750. By administering the defeat the academy pulled down its great rivals a notch, at the same time tying the High School and McGuire's for first place in the Inter-Preparatory School Athletic League. The percentage column now reads 500 for the three schools.

From the first inning yesterday the game developed into a slugging match, McGuire's making ten safeties off Ely, while the academy chalked up the large number of eighteen off Mosely. A peculiar feature was that, notwithstanding the number of hits, Mosely had fourteen strike-outs to his credit. Except the eighth linning, when he passed the first three men, his control was excellent, but the gifts proved costly, all of them afterwards resulting in scores. The pitching of Ely was also good. Although his strike-outs were few, yet inning after inning it was one, two three order, as shown by the fact that McGuire's socred all their runs in two innings. In the eighth he retired the opposing batsmen on three pitched balls.

The academy showed one man across the rubber in the second, and two more in the second, and two more in the second and hard, and when the dust rolled away, six runs had been added and the score was 8 to 7 in their favor. But the taste of victory was short. a second defeat to the Agricultural and

this afternoon, by 3 to 1. The Varsity's
fielding was ragged, but the supero

striking out eleven men, but the locals
hit best when hits were needed most.
They made two snappy double plays,

OFFICIALS NAMED FOR OUTDOOR MEET

Men Who Will Run Richmond's First Field and Track Games.

ALL ARE WELL KNOWN

Will Be Well Handled, with No Unnecessary Delay.

Despite the large number of entrieg already received by the management of the intercollegiate and interscholastic field and track games which will be held in this city next Saturday at the State Fair Grounds more blanks came in last night with every mail, and the officials in charge of the affair are now assured of success, at least in the number of athletes who will be seen in competition. That the competition will be well worth going to see is readily seen by even a casual glance over the lists which were published exclusively in these columns yesterday morning.

From every college which will be represented comes the report that the men are training diligently and conscientiously, and taken for granted that good hard training by men entered in an event means the closest of finishes, there should be this in plenty to satisfy the most enthulastic lover of yot racing and track competitions.

List of Officials.

The latest announcement by the management of the games is the list of those who will conduct the affair. Dr. William Grant, of Ealtimore, the chairman of the Registration Committee of the South-Atlantic Association of the Amateur Athletic Union, heads the list as the referee of the meet. Dr. Grant needs no introduction to followers of amateur sport, and the fact that he will come down here to act in this capacity, when he was invited to officiate in a meet nearer his home on the same day bodes well for the sport here in Richmond, and goes to show that these bandling the meet stand well with the higher officials of te Amateur Union. That there will be no unnecessary delay in the running off of the program under a man of the wide experience of Dr. Grant is a superfluous statement. The other two men who have the most important positions and who have an enviable reputation in the Eastern athletic world are W. C. Thacher, of Washington, who will act as clerk of the course, and George S. Robertson, of Baltimore, who has been chosen starter. The latter is one of the best known and most popular starters in the East, and has been acting in the same capacity in and around Baltimore and Washington for the past six or eight years and more. The remainder of the list comprises men whose abilities in handling athletes is but a statement of fact. Among these are coaches at the different State colleges and local men well up in athletic affairs. The first complete official list published clerk of course, W. C. Thaher, starter, follows: Referee, Dr. William Grants George S. Robertson; judges at thish, J. D. Sharman Charles R. Burnett, Harry H. Smith and W. P. Shelton, all of Richmond; timers, J. A. Muir, J. Taylor Robinson, Rives Fleming; inspectors W. L. Prince, C. C. Pearson, Ben Roseboro, Charles A. Bargamin.
